Tour Synopsis

Make the most of your trip to Hokkaido on a private custom-made 2-Day tour with HNT! We'll start this day trip with a 3-hour drive to Mt. Sandanyama's trailhead, located just beneath Mt. Tokachidake - Hokkaido's deadliest volcano. The 3-4 hour intermediate-level ascent rewards hikers with unforgettable views of the snowy peaks above. Upon returning to the trailhead, you can either choose to dip at the nearby Fukiage Wild Onsen - set in the dense forest - or at a local onsen establishment with changing facilities, indoor & outdoor baths. We'll spend the rest of the day in Furano visiting gourmet sites, an artist village and a small ice village. We'll also have dinner in Furano before checking into a 3/4 star hotel for the night. Day 2 can start with a DIY food making workshop, followed by an hour-long snowmobiling ride or snow play through tubing, rafting and more. In the afternoon, we'll drive to Lake Kanayama for ice fishing. The lake is ringed by mountains and offers great scenery for ice fishing, where you'll be provided with a tent, gear and instruction. From here it's just over 2 hours back to Sapporo, for drop-off at a location of your choosing. This active winter day trip has great variety, with snowshoeing, shopping, sightseeing, ice fishing and more included.
